

Hi there,

I am hoping that this email finds you and all your loved ones safe and well?

This is a little email to keep in touch and let you know our situation.

All swimming lessons were paused on Tuesday 17th March 2020 and are postponed until further notice.

We are waiting patiently for news that swimming lessons can start safely again.

We have been following guidelines from our government and our governing bodies and carefully watching the situation in the US and Australia where swimming pools are slowly reopening.

One of the improvements to our swim school will be an **automated mailing list** and booking system which will ensure we can communicate quickly and effectively with our families. We will use this to ensure you are the first to know about our swim classes and courses.

Please could we ask you to subscribe to our mailing list - it only takes a minute. We will never pass your details onto a third party and you can easily unsubscribe at any time.

Thank you and we look forward to seeing you all again soon
Karen & my fabulous team of swimming Instructors and Pool Helpers x
